Drive time from San Jose is about 2 hours. From San Jose, take the main highway (Carretera Interamericana) going north towards Puntarenas. The highway will pass the Juan Santarnaria airport. If coming from the airport, get onto the highway and follow same directions. Stay on the Interamericana for 10 –15 minutes, until you see an exit for a town called Atenas. Take this exit and continue to follow the signs for Jaco and Quepos, as you go through the towns of Atenas, San Mateo, Orotina, and Tarcoles. (Always keep in mind the next town you are heading for, and watch for signs to that town.) Once you hit the Costanera, keep driving and look for signs to Jaco.

Off the main highway 34 (Costanera) Jaco has several exits (turning right), which will take you toward the Pacific Ocean. Hit the main street, Pastor Diaz Avenue, which parallels the beach and turn left. Go in to the center of town. Good landmarks to look for would be Subway Restaurant on your left then you'll go over a small bridge and you'll see Payless Car Rental and Nexus Reality. Take the first right over the bridge on Calle Publica. You will be heading towards the ocean. Once on Calle Publica the hotel will be just ahead on your right.
